Courses are offered in four terms: Monsoon, Spring, and Winter, Summer. Courses offered during Winter and Summer are modular and offered in one full session. Grades from these terms are accounted in the previous Monsoon and Spring semesters respectively.

GPA is calculated based on the GPA courses completed by the student.
NGPA courses are only awarded a **Pass** grade.

Office Training/Project Training/other courses taken as **NGPA** are excluded in the **GPA/CGPA** calculations.

Grading System

Batches joining between 2014 to 2017 (inclusive) were graded on a Relative Grading System, in which the relative performance of the students is assessed with respect to their class. In classes with less than 20 students, absolute grading was adopted.
