The screenshot shows a web browser window with multiple tabs open. The active tab displays a form titled "Form Details (UG)". The URL bar shows "192.169.13.135:85/Pages/FormUG.aspx?ProgramType=PTM0...". The form itself is divided into two main sections. The left section contains five labeled fields: "JEE Main Total Marks Obtained*" with a blue instruction link "(Write your JEE Score with all decimal points as mentioned in your Scorecard)", "JEE All India Rank (CRL)", "Month of appearing in the exam", "Year of appearing in the exam*", and "Upload JEE Main Score Card *". Each of these labels has a yellow speech bubble icon next to it. Below the upload field is a button labeled "Choose File" followed by the text "No file chosen", and another blue instruction link "(Please upload latest JEE scorecard having CRL)". The right section mirrors these labels: "JEE Main Total Marks Obtained", "JEE All India Rank (CRL)", "-- Select Month of Appearing --", "-- Select Year of Appearing --", and an empty space for the score card. At the bottom right of the form area are two buttons: a grey "Close" button and an orange "Add" button. The Windows taskbar at the bottom shows the search bar with "Type here to search", several application icons, and system information indicating the time is 12:34 on 06-05-2022.
