1	Great course.
2	The course is well structured for limited time to get atleast good hold on basics of the software
3	no comments
4	It was very useful and well structured
5	New and interesting course
6	There was so much to learn from the course! Enjoyed every bit of it. The freedom given by the faculty for the final outcome was really helpful in exploring the software at our own pace.
7	Nice but need it for longer duration

1	.
2	A great instructor always helpful and clears doubts. Available all the time
3	no comments
4	He was very helpful
5	Insightful and helpful tutor
6	Subin sir was very cooperative during the entire course! He had a great command over the softwares and addressed all the doubts very patiently. He gave appropriate amount of attention to each and every student. I wish we had such a course and faculty as a studio in our curriculum. It was definitely worth a while.
7	Excellent faculty!
