

COURSE TITLE : Communications for Energy Efficiency Business

COURSE CODE : BE4600

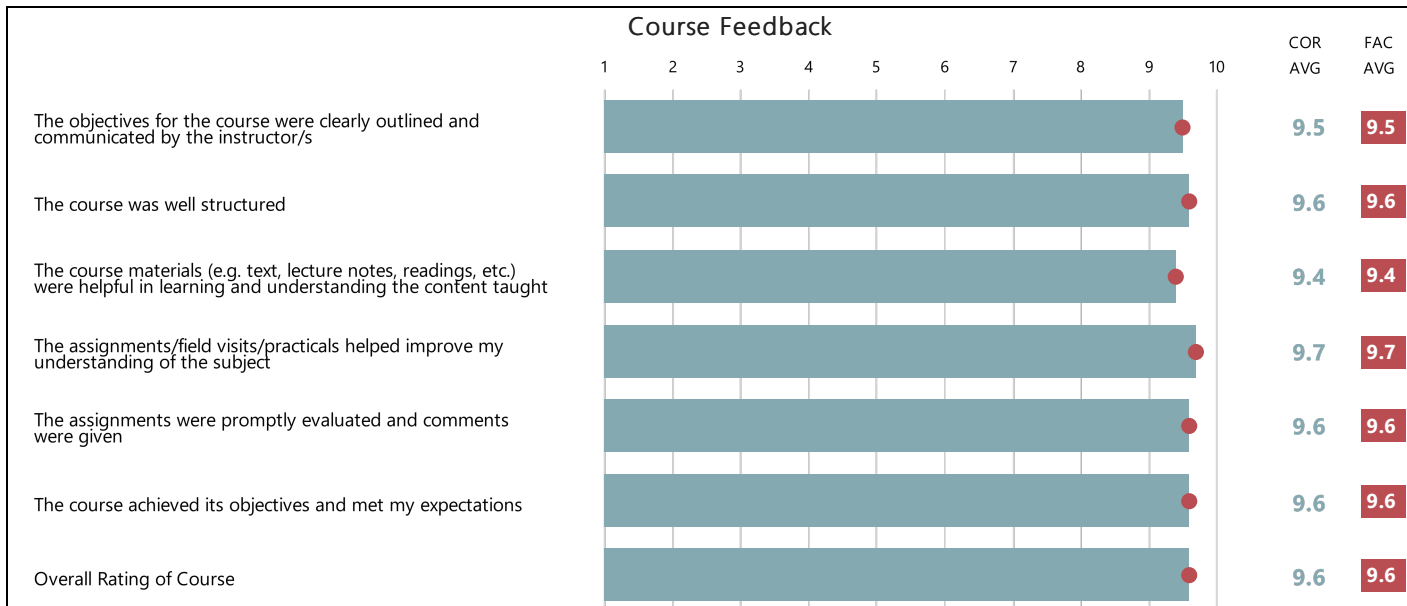

COURSE TYPE : Seminar

NO OF STUDENTS : 18

FACULTY : Faculty of Technology

NO OF RESPONDENTS : 17

### Course Feedback

### STUDENTS REGISTERED BY FACULTY

| Name Of Faculty | FA | FD | FM | FP | FT  | Total |
|-----------------|----|----|----|----|-----|-------|
| No. of Students | 0  | 0  | 0  | 0  | 18  | 18    |
| Percentage(%)   | 0  | 0  | 0  | 0  | 100 | 100%  |

■ **Course Average(COR AVG):** This is the average of the total responses for this course. For example, for Studio IV, out of total 32 students 28 have responded, the Average represents the mean of all 28 responses.

■ **Individual Average(IND AVG):** This is the average score of the total responses for this instructor. For example, for Studio IV, out of total 32 students 28 have responded, the Average represents the mean of all 28 responses.

■ **Faculty Average(FAC AVG):** This is the average of all responses for similar course type within the Faculty. For example, Faculty average of Studio IV offered by FA, represents the mean of all responses for Studio courses offered in FA during the given semester.

Scale: 1-3: Unsatisfactory, 4-6: Average, 7-8: Good, 9: Very Good, 10: Excellent

## What did you like best about this course?

| Sr No. | Comments                                                                                                                                             |
|--------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | The Course provide a mandatory skill one must have in field                                                                                          |
| 2      | Design charretes & elevator pitch                                                                                                                    |
| 3      | Improved communication skills and can be implemented in practical world                                                                              |
| 4      | Great Course!                                                                                                                                        |
| 5      | It involved the main business aspect and market potential of the course.                                                                             |
| 6      | Course content well defined (charrette day)                                                                                                          |
| 7      | Interactive sessions that solved the purpose of course                                                                                               |
| 8      | Everything.                                                                                                                                          |
| 9      | the professor                                                                                                                                        |
| 10     | The financial calculations                                                                                                                           |
| 11     | The elevated speech classes and Design charrette was both informative and fun at the same time.                                                      |
| 12     | course helped me in improving my communication skills                                                                                                |
| 13     | Charette session was very engaging and gave insight to practical experiences                                                                         |
| 14     | Enacting and communicating as an Energy consultant in practical world                                                                                |
| 15     | practical and useful in future                                                                                                                       |
| 16     | The way the course has been designed connects the student very effectively with the real world and hones their communication skill very effectively. |
| 17     | Improvise our presentation and communication skills.                                                                                                 |

## What would you like to change about the course?

| Sr No. | Comments                                                                                                                                                  |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Nothing                                                                                                                                                   |
| 2      | Nothing                                                                                                                                                   |
| 3      | None                                                                                                                                                      |
| 4      | No Comments                                                                                                                                               |
| 5      | The readings were very informative, However since this course deals with market value and so on, less reading and more practical workshop would be great. |
| 6      | Number of lecture should be more for semester                                                                                                             |
| 7      | All good.                                                                                                                                                 |
| 8      | Nothing.                                                                                                                                                  |
| 9      | the design charette extended too much                                                                                                                     |
| 10     | Increase the Pitching sessions                                                                                                                            |
| 11     | nil                                                                                                                                                       |
| 12     | more classes with proffesionals                                                                                                                           |
| 13     | not applicable                                                                                                                                            |

| 15     | n/a                                                                                                                                                       |
| 16     | It's well structured course and I don't have any suggestions to this.                                                                                     |
| 17     | Nothing                                                                                                                                                   |

## Course Comments

| Sr No. | Comments                                                                                                                                                                                                                                                                                                                                                                        |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | The course is integral to help students convey business proposals to clients & other commercial aspects of profession. We can also interactions with prospective clients like architects, developers & MEP engineers to know about their experiences while interacting with green building consultants and how we can improve upon that service to coordinate with all of them. |
| 2      | None                                                                                                                                                                                                                                                                                                                                                                            |
| 3      | Well structured Course.                                                                                                                                                                                                                                                                                                                                                         |
| 4      | The course was extremely good with equal amounts of information and fun. I would like the course to remain as it is.                                                                                                                                                                                                                                                            |
| 5      | Not applicable                                                                                                                                                                                                                                                                                                                                                                  |
| 6      | n/a                                                                                                                                                                                                                                                                                                                                                                             |
| 7      | A very innovative and interactive course which effectively prepares students for the field in terms of communication and knowledge.                                                                                                                                                                                                                                             |
| 8      | The lectures were very versatile and had one to one interaction with each student. It was fun as well as learning at the same time. sessions were Highly interactive and self improvising. Conducting the Design Charrette was a lot more beneficial for all of us.                                                                                                             |
