Faculty of Design  
CEPT University

**Respected Faculty,**

It is with pleasure that I recommend **Dhavlesh Suthar** for the position of **Teaching Assistant** in your department.

I have known Dhavlesh for six months during my teaching as a faculty with Department of Design at CEPT University.

In this context, I can vouch for his consistent academic performance and dedicated attitude towards his coursework. He has been a consistent performer and has been placed in the top performing students list. In January-2022, he was awarded 'Academic excellence Award' on the nomination of Faculty Council of Design for Master of Design Program-CEPT. He is hard working, inquisitive and seeks to gain in-depth knowledge with his determination. His projects were ranked among the best projects carried out in the department.

I have no doubt that he will be a great fit for the position of Teaching Assistant in your department. He has proved his motivation & displays intelligence with his working methods and his hard working attitude. He is a team player and very supportive being a local student to other states/city students like a mentor for various matters, this is also a unique ability to fit for this position.

In conclusion, I would recommend Dhavlesh Suthar for Teaching Assistant. If you need any additional information, you can feel free to contact me at +91 9016250130 or via email at [rudrapalsinh.solanki@cept.ac.in](mailto:rudrapalsinh.solanki@cept.ac.in)

Sincerely,

**Rudrapalsinh Solanki**
