3	A very passionate, knowledgeable and dedicated faculty. Sir made the course extremely enjoyable and taught us a lot in the process.
4	The professor was very informative and have given everyone valid inputs on the materiality properties and techniques.
5	He did a great job teaching various techniques of model making to a non-built background student.
6	NA
7	A little bit of tight schedule with outcome based milestone can be taken for next time
8	Good
9	Dilip Sir's teaching method is amazing. Sir is very friendly and kind hearted person and he is very much passionate about the work.
