RE.: Visa Applicants for CEPT UNIVERSITY's Winter School Course on NEST: Experimenting through Design in Norway – June 2019

Dear Sir/Madam

Greetings from the CEPT University, Ahmedabad. As a part of the Summer Winter Program at CEPT University, We would like to inform you regarding the upcoming winter school course “**NEST: Experimenting through Design in Norway**” to be conducted in **Norway**. This course is primarily for CEPT students of Indian Nationality, Who are enrolled in UG/PG programs of Design, Architecture. The Summer Winter School is a mandatory component for fulfill their program requirement. The said course was also open for external students and professionals from India.

This is to inform you that **MR. DHAVLESH GIRISHKUMAR SUTHAR(Passport No. :)** is a student of Faculty Of Design at Balwant Sheth School of Architecture, Mumbai. The student has registered at CEPT University for the Summer School Course mentioned above, from 29-May-2022 and 10-Jun-2022.

1. About Course

1.1 The summer school exposes the student to the art, craft, architecture, design and cultural lifestyle of Norway. The idea is to experiment through design and develop spaces for encounters and creative exchange. Students will get an opportunity to interact with international experts and visit cultural institutions and architectural landmarks across various cities of Norway. Through Nest: an experimental incubation, the intention is to activate indoor and outdoor spaces through art installations and hands-on experimentation activities. Nest is a hybrid space where work and play shift constantly. Nest sets a stage for various unexpected scenarios and social activities to unfold, from playful work/study assemblies, or collective lunch in the sun to serene book reading, while nesting. The collective output of the project will be displayed at Hannah Ryggen Triennale 2022. This course is part of Threads of Innovation (TOI), an international academic project - winner of UTFORSK 2020 by the Norwegian Ministry of Culture and Research. It is a partnership between CEPT and NTNU, Norway. This course is done in collaboration with KOMPAN (Norway). It is conducted by CEPT and NTNU faculty members.

We are writing to inform you that **15** students till date have registered for this course to be conducted in **Norway**, between the 29-May-2022 and 10-Jun-2022. Over the next few days they will be applying for the appropriate visas for this visit. We would like to emphasize that this is an educational tour and hence you may kindly grant the students the required visa so as to enable the student to fulfill their academic requirements. *Please find the attached list of the students and the accompanying faculty members for your reference.*

For many students since this will be their first visit to **Norway**, some of the students are likely to want to extend their trip by a few more days so as to allow them to explore and experience more the country and its culture. Those students will arrange their stay and support by themselves for those additional days and will return to India post visit. Each student's application has a letter with the same assurance.

The students will be applying for their visas from different parts of India, to different VFS Centers as per their service areas. Therefore we would request you to kindly share this information about the course with all your consulates and VFS Centers across India, together with the list of students and faculty who will be submitting their application for visas for the purpose of this study trip to **Norway**.

2. About CEPT University

KASTURBHAI LALBHAI
CAMPUS, UNIVERSITY RD
NAVRANGPURA
